

For immediate release:

Author's new book receives a warm literary welcome.

Readers' Favorite announces the review of the Fiction - Fantasy - Epic book "The Ember Reach" by J. Gibson, currently available at <http://www.amazon.com/gp/product/B0B3HCY32C>.

Readers' Favorite is one of the largest book review and award contest sites on the Internet. They have earned the respect of renowned publishers like Random House, Simon & Schuster, and Harper Collins, and have received the "Best Websites for Authors" and "Honoring Excellence" awards from the Association of Independent Authors. They are also fully accredited by the BBB (A+ rating), which is a rarity among Book Review and Book Award Contest companies.

"Reviewed By Olga Markova for Readers' Favorite

The Ember Reach: Planar Lost by J. Gibson is a riveting blend of epic fantasy and horror. The story transports us to the imaginary universe of Planar Lost. Karis Valjyre,

a private examiner of illegitimate affairs, wakes up to find her city of Imbredon invaded by the living dead and set on fire. Fleeing, Karis feels like an unseen hand is moving her. She finds herself in a magical reality where an apparition advises her to travel to the ruined valley where good fortune awaits her. Meanwhile, in the ruling circles of the Empire, a senior member of the clergy was slain and two others vanished. Archbishop Delacroix and her Scribe Officiate, Amun Halleck, set off on the search mission. What lies ahead for them?

The Ember Reach is the second book of the Planar Lost series by the talented J. Gibson, but it reads perfectly well as a standalone. The atmospheric descriptions of the places reached, the awesome portraits of the characters, the action-driven plot, perilous adventures, magical combat, and eventual jaw-dropping revelations are a few notable features of this amazing epic fantasy. The events are centered on the standoff between good and evil. I was particularly impressed by the implied allusion to the violence in Eastern Europe implemented by the scene-setting map featuring the Black Sea. Suspenseful and riveting, this novel will thrill epic fantasy, horror, and adventure fans and make a great film adaptation. Graphic violence and gore-abundant magical combat make this epic fable unsuitable for children."
